

BURNING BLUE RAIN

Experience blues with flavors of psychedelia with Burning Blue Rain, young men with old soul and musicianship beyond their years. Established in 2022, they have intricately crafted their unique musical identity by melding inventive creativity with inspiration drawn from blues legends. With Louis Tessman Stanoch on lead vocals and guitars, Oliver Osland on keyboards and backing vocals, Caleb Carr on bass, and Breckyn Lovvas on drums,

In 2023, Burning Blue Rain released their debut single, "No Peace In Mankind." The original song weaves traditional blues with poignant lyrics, evoking the timeless spirit of the genre. Burning Blue Rain performs across the Twin Cities, at popular venues such as KJ's Hideaway, the Green Room, and the legendary 7th Street Entry, captivating audiences with their raw, soulful sound and electrifying stage presence.
