## THE ALBUM (STREET DATE 10/14/23)

Katy Tessman soars to new heights with her eagerly awaited second album, “Fly,” marking her return to songwriting and performing after a twenty-year hiatus. The album weaves a tapestry of uplifting melodies and heartfelt ballads, resonating with themes of self-discovery and resilience.

Produced by multi-instrumentalist Michael Koppelman “Fly” features Tessman’s bandmates Tom Leier, Kelley Lima, and her son Louis “Sweet Lou” Tessman Stanoch. Breathtaking performances by special guests Nikki Lemire, Jillian Rae, Michael Koppelman, and Justin Jacobson add lush layers of harmonies and strings, elevating Tessman’s radiant voice.

Using the wisdom she’s gained through breast cancer survival, heartbreak, and motherhood, Tessman’s songwriting helps her celebrate life’s stumbles and summits. Based in Minneapolis, Katy is also an award-winning children’s book author, celebrated as a CHANGEMAKER by Minnesota Women’s Press. Stories and songs truly heal and Tessman aims to evoke laughter and tears, spread smiles, while fostering a sense of hope and togetherness.
